PQs are individual units of a professional training program. They provide an opportunity to gradually acquire professional knowledge and skills, step by step. This way, PQs improve your chances in the job market, with the goal of eventually obtaining a professional degree via the qualifying examination.

YOUR REQUIREMENTS

- Over 25 years old
- Language level B1/B2
- No professional degree or an unrecognized professional degree
- Refugee status with the potential of staying in Germany
- Unemployed or facing unemployment

YOUR CONTACT PERSONS

- Contact your local Job Center or the Federal Employment Agency and ask about PQs.
- If you are already employed, talk to your employer about PQs! They can be completed on-the-job as well.

YOUR INTERESTS

- technical professions (e.g. plant mechanic)
- commercial professions (e.g. sales)
- various service professions, such as logistics, hospitality or security and protection
